Lorne Geller is an Analyst with Crestview Strategy, based out of the Ottawa office.

Prior to joining Crestview Strategy, Lorne completed his Masters of Political Management at the Clayton H. Riddell School of Political Management at Carleton University.

Lorne has spent parts of three years on Parliament Hill, advising Members of Parliament in both government and opposition on legislative procedure, policy issues, constituency work, and communications.

He has served in a variety of roles on numerous political campaigns at the federal, provincial, and municipal levels.
